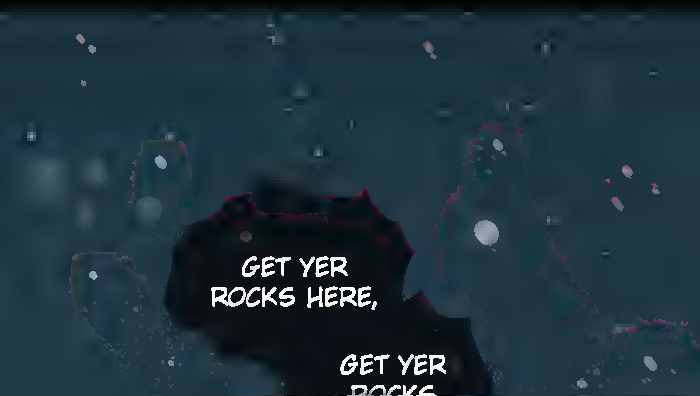
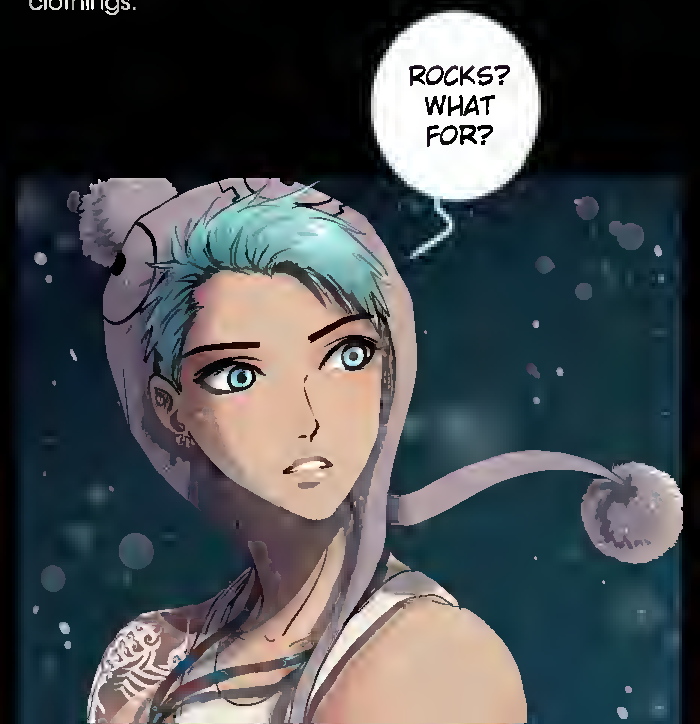
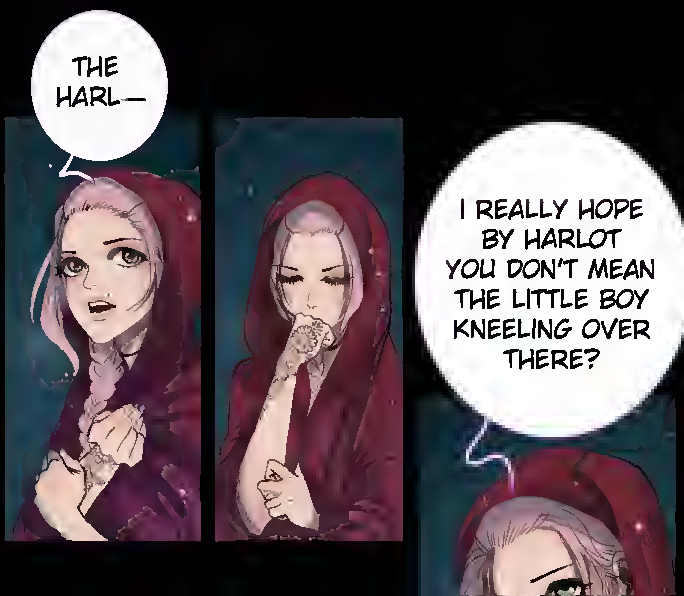
The Midnight Train

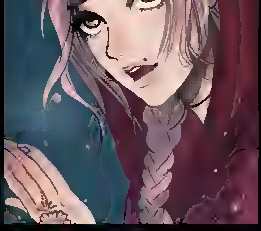


Kreyul summoned a blanket for Emai. Allowed since a blanket technically isn't "articles of clothings."



Also summoned a hat for himself to avoid the snow messing up his hair...but hat messes hair too? Kreyul's logic...





PLEASE, ALL WHORES CLAIM "RAPE" TO FLEE THE DEATH PENALTY,

EVEN IF HE REALLY WAS ASSAULTED,

HE SHOULDN'T HAVE WORN PROVOCATIVE ATTIRES OR BEHAVE IN WAYS TO TEMPT OTHERS INTO SINNING.

HE SHOULD HAVE AT LEAST FOUGHT TO DEATH TO DEFEND HIS HONOR SHALL HE BE INNOCENT.
BEING ALIVE PROVES HE'S NOTHING BUT A WORTHLESS WHORE AND A DISGRACE.
NOW TAKE A F*CKING STONE, OR SEE YOURSELF KNEELED BESIDE HIM.

TAKE A STONE? I REFUSE.
KILLING HARLOTS IS MY FAVORITE PASTIME.
HELVETE*, GIVE ME LIKE 10 ROCKS.
*HELL

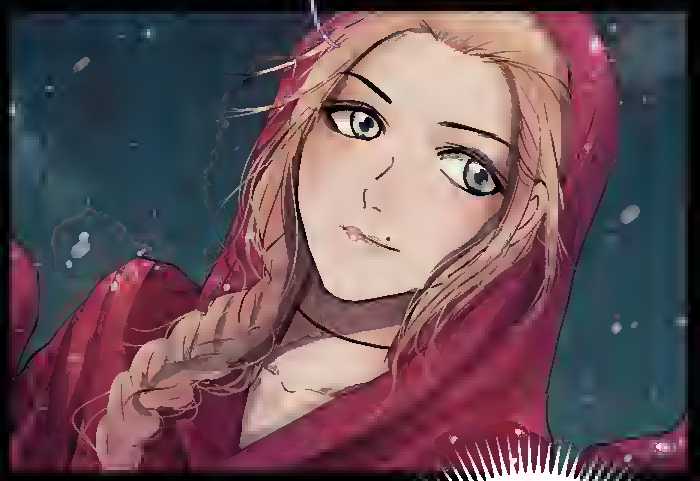
INTERESTING. MANY PEOPLE FROM MY DIMENSION WOULD STONE ME OVER MY LAST STATEMENT,

NOT EVEN A FROWN, EMAI?

MEH, DO WHATEVER YOU LIKE.

YOU'RE KREYUL, YOU PROBABLY

HAVE A PLAN.



I'M STILL DRAGGING OUR ASSES OUT OF HERE SHALL IT GETS VIOLENT.
